American Art Deco Mirror Skyscraper Folding Screen

Reference:

MPD-003327
Description
This American art deco machine age mirrored screen is from the 1930’s. The three panels range in height from 61” to 69” and are banded in nickel. The unique nickel hinges allow the panels to move forward or back. The reverse is constructed of cherry wood and small nickell feet keep the screen off the floor. Each panel is 15” wide and the screen is 45” wide when unfolded.
