Art Deco Crystal Prism Lincoln Utopia Chandelier Nickel Plat

Reference:

MPD-001363
Description
Lead glass crystal prisms on this dramatic Art Deco Light, recreated from an original antique Lincoln Manufacturing chandelier, from the 1930's. Cast in solid brass using a Lost Wax Cast process, then nickel plated.

The six sockets can handle up to 100 watt incandescent bulb each, or purchase our optional LED Art Deco looking bulb 60□-WW-□E26, each using only 7 watts and putting out about 75 watts of incandescent equivalent light. Makes running the chandelier all night long, perhaps as a nite lite, very economical indeed and cool to the shades as well.

Price:

$625.00
