Description
Rare colored Lithograph with Original Drypoint Etching, on Rives by Salvador Dali.

Visually striking, with vibrant colors and exquisite detail on a black background, the top portion of the work is a lithograph from original gouache, and holds a heart-shaped form— replete with green foliage, delicate strawberry buds and ripening fruit, and luscious fully ripened strawberries— a Dalí surrealist interpretation of a classic 19th century botanical print.

Signed lower right and numbered 130/200, Authenticated by Frank Hunter for Salvador Dali archives.
