Here's a big step up in quality from what’s usually available. This recreated 2-light pendant by Lincoln Mfg. has been Lost Wax cast in solid brass (not pot metal). The fixtures are sold complete with the shades.

Available in Polished Brass, Antique Brass Finish or Nickel Plated. There are also THREE shade colors to choose from: frosted white glass, frosted amber glass, or a brown and white painted glass shade. Use the drop down menu to select your metal finish, and your glass shade color. The antique brass finish is lacquered to maintain its tone.
