Pietro Chiesa for Fontana Arte Lantern Pendant, circa 1935

Reference:

MPD-007303
Description
Amazing four-light pendant by Pietro Chiesa for Fontana Arte, curved glass, fully restored electrical parts, just little chip showed in photo, rare hanging light fixture featuring four concave sheets of crystal that are graduated in width from top to bottom with scrolling tops. This is a prime example of the high quality, early work produced by Fontana Arte during their first years.

It works with both 110 and 220 Volt.
