

Victorian Aesthetic Movement Hall Lantern.

Reference:

MPD-006761

Description

Beautiful Victorian Converted Gas Hall Lantern,
Attributed to McKenney of Boston.

As with lights of this period and quality, they are of Bronze construction and employ a higher standard of design and skill.

Some highlights are:

Random coloured large jewels,

Diamond centre panels and open work.

Delicate top trim,

Cast grills adorning the harp.

This fixture is almost 50% larger than most of its period.

A truly outstanding piece in lovely condition.
