Reference:

Description

Designer: Erwin and Estelle Laverne

Manufacturer: Lavern Originals

Period/Model: Mid Century Modern

Specs: Lacquered fiberglass, chrome-plated steel

condition:

This rare Erwin and Estelle Lavern lotus chairs and table are in good vintage condition. The chairs have imperfections with age to the lacquer finish as well as nicks out of the fiberglass under the arms (we assume from hitting the table over time). The table is in very good condition with little to no wear to the top, it does have chipping of paint around the edges. All of the bases show wear but are in very good vintage condition with some paint loss. Overall this set is stunning in person and can definitely be used as is.
