Description

Vintage Danish teak dining table by Dyrlund. Original manufacturer's label present beneath table top. Table comes complete with two leaf extensions (as pictured). Remove one or both of the leaves to reduce size. Table is a smaller oval when compact. Trestle design allows for maximum leg room under the table. Your guests will not be incumbered by straddling table legs. Solid teak wedge banding at perimeter is accented with dark wood joists. Table top has been professionally refinished. Be the first to enjoy this restored Scandinavian gem. Newly refinished top surface. Some scratches on feet. Leaves are a slight shade darker than main table top (see photos). (99.5" max length)
