

Uniflex Mid Century Modern MCM Rosewood & Mahogany Credenza

Reference:

MPD-006412

Description

This is a vintage Mid Century Modern credenza. The woods are strongly featured ribbon mahogany and rosewood, creating a dramatic two-toned contrast. On the right is a drop down bar with cool retro fabric lining the bottom and on the left there is a bi-fold door that opens to reveal a compartment that can hold liquor bottles. There is a central bank of drawers with dividers for flatware and one removable sectioned insert. The piece is in great vintage condition with minimal wear. This is made by Uniflex, as marked inside the top drawer, and comes to us fresh off the boat from England. Feel free to message us with any additional questions. It measures 6 feet long, 18 inches deep, by 32 inches wide. We ship freight for \$385 to any of the contiguous 48 states and you are always welcome to pick it up for free in our Chicago store!
