### Reference:

MPD-006616

#### Description

This is a beautiful French Art Deco love-seat sofa covered in a rich rusty brown leather. The leather is in like new condition and is most likely recently redone. The back of the sofa is nicely detailed with nail head trim. Because the back is so nicely finished, this sofa would look great in the center of a room or against a wall. This love seat measures 52 inches wide, 29 inches high, 29 inches deep, 16.5 inches from floor to seat cushion. Aside from a couple of small scuffs, this sofa is in excellent condition.

We will ship this item freight for \$385 to any of the 48 continuous states.
