

Vintage Wrought Iron Snake Table Lamp

Reference:

MPD-006623

Description

This is a vintage wrought iron table lamp. It stands on three legs which are hand hammered. A snake winds up the stem of the lamp with his head pointing upward. This lamp has a unique patinated copper perforated shade, so that when the lamp is on, small dots of light show through the holes. It is in vintage condition, with some damage on the inside of the lampshade and has been recently rewired. It measures 20in wide, 32in tall.
