

French Art Deco Marble Clock 3 Piece Garniture Set

Reference:

Description

This is a French Art Deco three piece marble clock garniture set with a masterful design of geometric forms. The octagonal face features simple raised chrome surfaced numbers. The pendulum is silver with a copper tone diamond which mimics the brownish onyx discs throughout this clock. This piece features intersecting circles with detail in raised relief. The marble disks in the front overlap one another and sit upon rectangular black marble bases. Metal mixed with marble and glass gives this set texture and wonderful dimensionality. It is in good working condition and excellent cosmetic condition, with one tiny issue- the knob to the front glass door is detached, but present.
