### Reference:

#### Description

This is an original 1930's Movie Poster for the movie "Lion Man", starring Jon Hall. The graphics have a great Art Deco styling and would be perfect for your period style media room. It has been professionally restored and linen backed. The poster is a 28" x 42" One-Sheet size, and the backing adds a border to make total size about 30 3/4" by 44 1/4". It is in fine condition, with original fold lines faintly visible upon close inspection. There are pinholes on the backing border, not on the poster itself. The movie was originally released in the early 1930's, before Jon Hall was a star. The first movie posters for "Lion Man" did not have his name anywhere on it. This poster is a re-release during the late 1930's, after Jon Hall became a star, and it gives him top billing as the star. This will be shipped rolled in a tube.
