

## 1939 Art Deco Ronson Touch Tip Cigarette Lighter Box Combo

### Reference:

MPD-006618

#### Description

This is a vintage 1939 Ronson Touch Tip Art Deco lighter with all the original pieces! The box measures 6 by 5 1/4th inches and 3.5 inches at the highest point. There are no burns or breaks to the lighter but there are a few stress points on the plastic lid as shown in the photos. This is an excellent rare piece for any collector! We have not tested the lighter feature, but everything appears to be intact. This is featured on page 217 in Urban Cumming's book called Ronson The World's Greatest Lighter.
