

Barovier & Toso Italian Art Deco Ceiling Light

Reference:

MPD-000095

Description

Made in the 1930's, this Barovier & Toso ceiling light is constructed of bronze and blown glass. A ribbed glass rod hangs from the bronze ceiling cap and holds a circle of ribbed glass. Centered in the glass circle is a bowl of Murano glass with reticulated top and applied glass fringe. This quality fixture, which drops 37" from the ceiling and is 16" in diameter, has been rewired for American electricity and is ready for your home.
