

Pair Grosfeld House American Art Deco End Tables

Reference:

MPD-000192

Description

This pair of 1940's neoclassical American art deco side tables are from Grosfeld House, with their main office on East 47th Street in New York. Constructed of solid mahogany with ebony inlays, the tables have a faux ostrich leather inset and measure 22 ½" high and 21" in diameter. They have been refinished and are ready for the client.
