Description

Pop Art Painting - Acrylic on Canvas signed W.C.J. III

This painting, titled "Nile Conciousness", is a typical example of the Pop Art and Optical Art that was very popular during the 1960's -1970's. The beautifully crafted and intricate geometric overlapping patterns feature a color palette of popular mid-century colors. The painting measures 36" x 36" and is signed on the back along with the title written on the back edge of the canvas. A great painting to add lovely colors to a modernist or mid-century home.
