Ico Parisi Inspired Polyhedron Bar Cabinet

Reference:

MPD-006148
Description
This polyhedron bar cabinet was inspired by Ico Parisi,who designed a similar rolling bar in 1955 . Three drop down doors opening to a huge inside cabinet recovered with ivory coloured ostrich leather.Large place to stock glasses and bottles.The polyhedron piece is joining a base through two wooden arms.The cabinet is on wheels.The black laquered wood is decorated with nickel plated metal elements, as well as the handels of the doors.
A wwooouuuwww piece, to enjoy your cocktail and to impression your guests at the same time.
Editied in Italy in the 70s and restored recently.
