A very special and elegant pair of French origin Art Deco nightstands. It's a so called "faux pair", one was made for Mr. and the other for Mrs. The first is designed with one drawer and a door opening to a cabinet with a shelf. The second one is with a drawer and an opened cabinet underneath.

The pieces are made in bubenga, which was fully restored and repolished with a hand made lustrous French polish. Some additional elements, as the base and the top, are in black laquered wood. Brass handles on the drawers and on the door.

Simply French, simply Art Deco. Special and elegant.
