

Coffee Table By Willy Van Der Meeren

Reference:

MPD-004735

Description

Willy Van Der Meeren in the 50's designed a very nice and moduable coffee table for Tubax. Model T2.

It was at that time a very nice combination between design and affordable materials.

Black painted metal tubes as frame are holding a top which is recovered with a black colored leather.

The leather top was completely redone with new , high quality leather.
