Miguel Condé, is a superb figurative painter, draftsman and etcher. He was born in 1939 in Pittsburgh, Pennsylvania, but now lives and works in both Madrid and Sitges, Spain. Conde is self-taught, with the exception of anatomy studies with Stephen Rogers Peck in New York and etching techniques in Stanley William Hayter's Atelier 17 in Paris. He was the recipient of a Guggenheim Latin American Fellowship, and has been awarded various international prizes. as well as being an appointed member of the Société des Peintres-Graveurs Français. His work is represented in numerous museums and collections:

The Museum of Modern Art in New York,

University of Essex Collection of Latin American Art,

Museo Nacional Centro de Arte Reina Sofía in Madrid

Albertina in Vienna

Bibliothèque nationale de France in Paris

Cleveland Museum of Art

Blanton Museum of Art in Austin
