Description

Stunning, 1960's rosewood sideboard. Very good condition, minor wear consistent with age and use. 63 in. wide x 30 1/2 in. high at glass shelf x 20 in. deep. This exceptional sideboard is made of highly figurative rosewood with ebonized mahogany accents. The design works beautifully with Mid-Century Modern or Contemporary furniture. Note the thickness of the drawer fronts and drawer sides as well as the tongue groove joinery. This sideboard is every bit as well made as it is designed.
