Description

Ca. New The "Jude" Pendant is the newest addition to our line of custom quality reproductions by our in-house design team and only available at RENEW. Hand assembled in Vancouver using a knotted woven cord suspended by an antique olive bronze hardware; the socket can be switched on and off by the integrated switch and fitted with an Edison-style or clear bulb. What sets this pendant apart is the crystal beaded "sock" which wraps the bulb and takes on a jewel-like quality when lit. A wonderfully refreshing take on the industrial trend, adding just the right amount of polish, sophistication and light to enhance any interior design concept. Measures 3 feet total length, custom lengths available.
