

Queen Anne Fancy Wrought Iron Chandelier

Reference:

MPD-006789

Description

Circa 1905. This is a rare and decorative wrought iron fixture styled on the Queen Anne Period; although it was made in America, this chandelier is stylized in a 'Fancy French' almost Rococo manner. Its decorated body is enhanced by the contrasting bare tungsten bulbs it wears, and its uniqueness emphasized by this exceptionally rare (and irreplaceable) 'Vaseline glass', bullet shaped shade.
