

## Ralph Lauren Modernist Art Deco Style Living Room Table

### Reference:

MPD-001172

#### Description

This wonderful occasional table in black lacquer with x-base aluminum frame was part of a ca. 1980's Ralph Lauren Collection. Today a similar design table is offered by Ralph Lauren in a bridle leather covering and is described as "Bridle Leather Living Room Table" in their catalog. This table is in good original condition and would be a great addition to any decor.
