

Jean Aujame Oil On Canvas Mid Century Modern 1958

Reference:

MPD-005193

Description

The paintings of Jean Calude Aujame impressed me by their wonderful palette of clean and bright color. Impressionistic paintings of landscapes in France such as one might see on a great Summer afternoon. The painting is 10" x 13" (sight) and it is framed in its original 1959 frame and it's 16" X 19".
