

Grasshopper Chair by Eero Saarinen for Knoll

Reference:

MPD-003421

Description

Vintage Grasshopper Chair manufactured by Knoll and originally designed by Eero Saarinen in 1946 out of bent plywood. The grasshopper chair was Saarinen's first design for Knoll at the start of his career and was produced until 1965. This chair has been completely restored in its original spirit with a champagne colored fabric and a refinished frame with a natural finish accenting the grain. Unmarked. Seat height is 16", arms are 21.5". 31.5" L x 30" W x 36" H
