

Heavily Carved Wood Chinese Imperial Dragon Console Table

Reference:

MPD-003283

Description

A heavily carved wood dragon table with a post-modern design possibly depicting a Chinese Imperial Dragon. The top is a solid 2" thick slab with a matte finish and securely fits onto the dragon. The dragon is intricately carved on both sides and rests on another solid slab which has a burgundy stain. Dragon measures 74"L x 12W x 28.5"H. Unmarked, appears to be from the early 20th century.
89.75" L x 15" W x 33" H
