

Spectacular Italian Design M C M Murano Six Light Chandelier

Reference:

MPD-005801

Description

This is a spectacular Italian Design Fifties chandelier!!! The ceiling cap bottom is bright Nickel which reflects the light emitted by the tubular shades and sends brilliant sparkles all over the space it illuminates. The six Murano glass cylinder shades are attached to the light cords by round bright Nickel pegs. The lights are palest lavender dissolving into white. This light needs a high ceiling as the drop is 49". It can be adjusted to 40" if you need!!! Great for an entryway giving a welcome your guests will not forget. Each shade is 18" high and 2 1/8" diameter (the cylinders only). The diameter of the ceiling cap is 17". Has been completely rewired to US electricity.
