Description

[Craft Associates™ Club Chairs 1405](#)

condition

These Craft Associates club chairs 1405 are expertly crafted and upholstered. Each chair boasts hand cut foam and high grade commercial fabric. The chair's frame and base are constructed by hand from hard wood and not machine. The walnut base is then shaped by artisans and finished with a hand applied oil.

Craft Associates™ Furniture is proud each piece is made in the US. We strive to craft a product that will stand the test of time. We use the best materials and have the best craftsman and upholstery in the business. We stand 100% behind

our product.  
The price reflects a COM price (client's own material). If you provide the fabric, there is no additional charge for upholstery.
