Description

Restored mid century modern Broyhill Brasilia credenza. Vintage 1960s designed by famed architect Oscar Niemeyer. Top surface has been professionally refinished. All drawer pulls have been hand polished to reveal a brilliant copper tone. One of the most beloved and collected lines of American furniture the atomic age. It is easy to see why so many fall in love with Brasilia. Restored with hand polished pulls and professionally refinished top surface. Original cabinet is clean with no notable wear.
