

Mid Century Modern Bar Hutch

Reference:

MPD-003855

Description

Versatile mid century modern hutch with built-in bar at bottom. Top of unit features open cabinet space at center and two smaller cabinets at left and right. Top doors slide across the entire length of the facade. This allows one to reveal or conceal all of the top cabinets. Lower portion of the unit features more cabinets at left and right. Center bottom cabinet features a shelf with circular recesses of differing sizes to hold glassware. This bar area also features a white laminate topped expanding shelf for preparing drinks. The bar area also lights up, adding to the drama of your ultra swanky experience. Unit has some wear including a tiger stripe like pattern on the finish throughout. There is a scratch on top of the cabinet and a water ring on one of the shelves (see photos).
