

Pair Of Mid Century Modern Blade Back Chairs

Reference:

MPD-004015

Description

Pair of mid century modern lounge chairs with bold, blade shaped backs. Both chairs have been restored with new rich violet upholstery. Wood frames are original. High backs and folded origami-like backs add drama to the armless chairs. They sit at a pitched angle at a relaxed position. Unmarked, but truly remarkable. Take a look at the chairs from all angles — Sure to make a statement in your space.

New upholstery. Some light wear on original wood frames including minor scratches and one surface splinter (see photos). (16.25" seat height)
