Reference:

MPD-003669

Description

Vintage Gampel & Stoll glamorous mirror with console. Circa early 1970s. Opulence inspired by taste makers of the time, Karl Springer and Milo Baughman. Beveled mirror top accents the swag leg console table. See how this table has no back legs. It leans against the wall, creating an uncluttered look at the feet. Sweeping lines and gleaming surfaces will radiate against your wall. Large mirror adds drama to an foyer or great room.
