

Vejle Stole Danish Teak Dining Table

Reference:

MPD-003832

Description

Mid century modern Danish teak dining table by Vejle Stole. Stamped with the maker's mark and "made in Denmark" beneath table top. Refinished table top. Draw leaf design. Lift main table top and pull out leaves at far left and right ends to expand length. Leaves store neatly beneath the main table top. The main table top acts like a lid, completely covering the leaves when they are not in use. This gives a very clean, minimalist profile when the leaves are stored. This feature along with sleek wedge shaped legs are hallmarks of exceptional quality.
