Description

Restored mid century modern Hans Olsen for Frem Rejole dining set. Vintage 1950s. The mahogany table top has been newly refinished. Be the first to enjoy the reborn set. Olsen's brilliant, 1953 design, integrates the four dining chairs with the body of the table. Push the chairs in to seamlessly join them with the table. This set includes the mahogany and teak circular dining table and four of the tripod leg dining chairs. The unique spade shape of the seats allow the chairs to fit perfectly neat beneath the table top. Tripod legs are sturdy and minimize visual cacophony. This design is one of the most referred dining arrangements to emerge from Scandinavian modern design. One look and it is easy to understand why this set has maintained a warm place in the hearts of modern design lovers. Newly refinished table top. Black vinyl seat upholstery is clean with no notable wear.
