

Refinished Mid Century Modern Draw Leaf Danish Table

Reference:

MPD-004156

Description

Refinished mid century modern Danish teak dining table. Draw leaf design. Leaf extensions slide from beneath table top to expand length. A single person can easily push the leaf back under the table top for neat storage. Handsome design with atypical wedge shaped legs joining the minimalist table top. Gently contoured solid teak edge banding accents the table perimeter. This table is a little bit wider than most Danish draw leaf tables of the period. This is ideal for making maximum use of the table top. No worry about crowded place settings with the wider profile. Professionally refinished table top surface — be the first to enjoy this renewed vintage gem. Refinished table top. No notable wear. (66.75" Long at minimum length).
