

Pair Of Lacquered Pre War Machine Age Dressers

Reference:

MPD-003622

Description

A fantastic pair of lacquered Machine Age dressers in mahogany with solid bronze pulls, circa 1940. The dressers have been restored to their original turquoise case color and black floating bases with mahogany accents. There are no labels or markings, but very reminiscent of work by James Mont.

Price:

\$3,800.00
