Reference:

MPD-005772

Description

This is a beautiful original Sonia Risolia painting done in vibrant oranges, reds, and blues. This is an abstract modernist work of art with layers of expression. The deeper you look into the painting, the more you see. Within the splashes of color you will find images of people. There is also a second unfinished silhouette of a person started on the back which is also signed. This is an oil on board and measures 2 feet by 1 foot. Very eye catching!
