Description
This is an Orrefors crystal vase signed by artist Edvin Ohrstrom (B. August 22, 1906 – D. December 2, 1994). The vase is round with smooth, slightly swirling indentations around the circumference. These indentations divide the walls of the vase up into segments, reminiscent of a peeled orange, making for an eye catching piece. Ohrstrom's signature can be found on the bottom of the vase. It is in excellent condition with one minor flea bite as pictured. It measures approximately 4.5" tall with a diameter of about 5".
