Description

Sorry sofa is sold! Only the pair of chairs is available now. This is a stylish Danish Modern sofa set with a four seat sofa and two matching side chairs. It is right off the boat from Denmark, fresh to the American market. The sofa will fit 4 people comfortably. The set truly embodies that 'Mad Men' mid century style! The set is in excellent vintage condition with light wear for its age. There are a few scuffs to the leather around the seams from years of love. One or two cushions in the sofa have slightly more wear to them than others, as pictured. Overall the set is fantastic condition for being over 60 years old! The sofa measures 100 inches long, 30 inches wide, and 27 inches tall. From floor to cushion it is about 15 inches high. Each chair measures 33 across, 27 high, and 31 deep and 15 inches from the floor to cushion.

The rug, table, and accessories do not come with the couch set, but are also available for purchase as well! Pictured with a rya rug and art deco small round table and martini shakers.
