

French Art Deco Cerused Oak Mirrored Hall Tree

Reference:

MPD-004858 Description

This is a French Art Deco hall tree/coat rack featuring ebonized cerused Oak. There is a glass shelf at the top, six copper double hooks for hanging, an umbrella stand with drip tray and angular copper tubing. There is a large mirror above a built-in cabinet with a drawer and a shelved storage space. It is in good antique condition with minor expected wear and evidence of a small two inch old repair at the left edge, noticeable only under close scrutiny.
