

Mid Century Modern Lightolier Sconces Cased Glass Shades

Reference:

MPD-004785

Description

This is a nice modernist pair of Lightolier Mid Century Modern wall sconces. The bases are chrome and the conical slip shades are cased glass, ribbed on the inside and smooth on the outside. This gives off a subtle "Pinstriped" effect when lit. There is some wear and minor pitting to the chrome. The glass is in excellent condition, with no chips or cracks. There is a tiny bubble on one of the shades, done in the manufacturing process. Both of the bases have Lightolier labels on the back. The shades measure about 15 1/2" high by 5 1/2" across. The bases measure 4 1/2" across.
