Description

This is a French Art Deco Wrought Iron Wall mirror. It has an oval bevelled mirror surrounded by wrought ironwork with a floral and leaf motif. There is a tiny, faint, shallow scratch/scuff at the edge of the glass bevel at top center as shown - hardly noticeable. Otherwise it is in excellent vintage condition. It is shown hung horizontally, but could be modified to hang vertically. It measures 22 1/2' x 41".
