

Art Deco Bakelite Poker Caddy And Chips

Reference:

MPD-005013

Description

This is an Art Deco bakelite poker chip Caddy. There are tubular slots for the chips to slide into and 2 areas for playing cards. The poker chips come in very desirable bakelite colors including butterscotch, cherry red and marbled green. The caddy has a carved Butterscotch Bakelite carry handle. No playing cards are included with this game set, but the original chips are included. There are 8 stacks of chips which I have not counted, but they stack nearly to the top of the caddy in each of these hollows, so there are plenty to play your favorite card game with. This set is in very good vintage condition. The perfect gift for the man who has everything, this makes a great gift to present to Dad, the groom or your brother, husband or friend.
