Devil Girl From Mars, the 1955 David MacDonald English science fiction (sci-fi) Red Planet bad space-girl thriller ("Earth Menaced by Fantastic Powers"; "The FANTASTIC night of TERROR that menaced the fate of the world!"; "Was she woman or monster?"; "Invasion from outer space... sights too weird to imagine! Destruction too monstrous to escape!"; "Produced by The Danzigers Edward J. Danziger, Harry Lee Danziger") starring Hugh McDermott, Hazel Court, Peter Reynolds, Adrienne Corri, Joseph Tomelty, Sophie Stewart, John Laurie, and Patricia Laffan (in the title role as Nyah, the Devil Girl from Mars!)

**Important Added Info:** Note that this poster, which is a "country of origin" poster for this English movie, is a very rare poster. The movie was re-released in England later in the 1950s, with a similar poster, but with different coloring, and perhaps that quick re-release helps explain why this poster is so rare. It has never been auctioned.
