

## Midcentury Chrome P-51a Mustang Airplane Table Lighter

### Reference:

MPD-005330

#### Description

Post-war desktop airplane lighter modeled after the North American P-51A Mustang fighter plane used heavily in WWII. This lighter possesses a chrome plated metal body and modernist design. The lighter is unique in that it is a slightly more literal interpretation of the original aircraft it was modeled after in contrast to most table lighters of its day.

Manufactured by Hamilton.

Upon turning the propeller, the cockpit opens and ignites a burning flame.
