Salvador Dali Pate-de-Verre Plate for Daum

Reference:

MPD-007839
Description
Plate in the original box, include COA.
Pate de verre Is a rare and very old technique technique of pressing glass powders or frits into a mold, is a detailed and difficult form of kiln casting. However, it is the use of these fine frits that give pate de verre its distinctive luster and allows for specific placement of colors in the mold.
