

## Small Vintage Brass Chinese Dragon Figurine

### Reference:

MPD-007417

#### Description

This intricately designed brass vintage lung dragon is very much in the traditional Chinese style with four claws and no wings. This would make a handsome addition to your home, office, or restaurant decor. The details can be seen in the scales and even its face.

The dragon measures about 6 1/2 inches high and 10 1/2 inches from front to back
