Art Deco Chicago Close Ceiling Light

Reference:

Description
The best term to describe this series is simply: “Screaming Deco“, since that really is what every nuance and every square inch of design says. Covered completely with deco design and pictured with one of the most deco designed shades made in America, we just have to say…“Screaming!!”. These fixtures are all substantial, with a great dark/light pewter contrast.

A single close ceiling light with porcelain socket. Fixture easily accepts a 100 watt bulb.

Pictured with both a frosted 0319G shade and an amber 0319AMG shade. Just could not resist taking a picture without the shade since the metal fixture itself is just so nice indeed.
